1. Exit the airport car park and follow the signs to Yaiza / Arrecife.
2. Go all the way round the roundabout and take the Yaiza/Arrecife exit. Then before you go under the bridge, turn right, up the slip road following the sign for Arrecife (LZ2). Join the dual carriageway.
3. Continue on LZ2 for around 3 km. You will pass the "Deiland" Shopping Centre on your right (flags) – you will then see signs over the road for the 'circunvalcion' (Ring road) – You will need to get into the left hand lane to exit.
4. The left hand slip takes you on to LZ23 (please note that there is an easily accessible BP garage on this road if you need petrol).
5. You will come to two right hand slip roads that are relatively close together – take the second, signposted LZ20 San Bartolome (first slip is signed Arrecife). Continue on LZ20 signed Tinajo and San Bartolome; the road goes under underpasses and the climbs uphill out of the developed area and towards a wind farm on the hill in front of you.
6. After about 6.5km, you will reach a roundabout in the village of San Bartolome. Go straight ahead over the roundabout, following the signs for LZ20 Tinajo /La Santa. There is now a new mini roundabout along this road - again, go straight on.
7. After another 1.3km, you will reach a roundabout with a large white monument (El Campesino) – take the first exit (right), following the signs for LZ30 Teguisse / Haria.
8. Follow this road for about 4.8km (on your right, you will pass an industrial building and goat cheese farm). After that turn left, following the sign for Caleta de Famara.
9. This road will lead to Famara only. After a further 9km, you will be approaching the bay of Famara, with the sea in front, the village of Caleta de Famara to your left. Drive into the village.
10. About 20 meters after the "road bump" (village entrance) you will see to your right a restaurant with a terrace (Casa Garcia):
